Forensics Lab Report Due Soon On Dowagiac Woman's Death

A forensics laboratory report from the Michigan State Police Crime Lab in Bridgeport concerning the death of a Dowagiac woman is expected soon by Grayling Chief of Police Pete Stephan.

The woman was found dead in her car along I-75 near Grayling on May 30. An autopsy on May 31 couldn't determine the cause of death. Authorities are hoping additional laboratory work will help clear up the cause of death.

Two Midnight Fires Strike Frederic Saturday Night

Midnight was a bewitching hour Saturday night for Frederic Township firefighters. Two fires were reported in the township in two hours.

The first fire damaged a house located one and one-fourth miles east of M-93 on County Road 612. The blaze was reported at 11:15 p.m. Saturday night.

The second fire started after a car went off the road and ran over a mattress in an unoccupied dwelling. The mattress caught on fire after the drive of the vehicle left the scene. The dwelling is located on County Road 612 one-half mile west of M-93.

Ballot Date for Beaver Creek Fire Dept. May Be Decided Monday

A date for a vote on starting a Beaver Creek Fire Dept. may be decided at the Beaver Creek Township regular meeting Monday June 14. The question of starting the fire dept. may be placed on the Aug. 10 primary.

Voters will be asked if a special tax assessment district should be created for the fire dept. If voters approve, the costs of starting a fire dept. is estimated to be about \$173,000 spread over six years. The total of \$173,000 is estimated to cover the cost of purchasing a pumper, tanker, and other equipment, plus construct a three-bay building and train volunteers and operate the dept. for the six years. The millage rate is estimated to be about 1.3 mills for the first year if voters say yes to starting their own dept.

130 Seniors To Graduate Friday

One hundred and thirty seniors will graduate from Grayling High School during the commencement ceremony Friday, June 11, at 8:00 p.m. in the high school gymnasium.

The evening will be highlighted by addresses given by Valedictorian Bonnie J. Keusch and salutatorian Catherine Diedrich and by the presentation of diplomas to graduates by Crawford AuSable School District school board president Kathleen Burkley and superintendent of schools Dr. William Diedrich. The public is cordially invited to attend.

The week's activity begins with Baccalaureate services, Wednesday, June 9, at 7 p.m. in the Joseph Stripe Auditorium. Rev. George Spencer of Michelson Memorial United Methodist Church will deliver the main address. Activity continued Thursday, June 10, at 7 p.m. in the auditorium with the annual Class Night. Class President Joelyn LaChappelle will emcee as the class history is read, class will be presented, class prophecy is delivered, and class personality balloting results are announced. The public is invited to both events.

Chamber Sponsors Computer Seminar

Computers for small business should be available for less than \$5,000.

That is the conclusion of Dr. William T. Anderson who will be conducting a seminar in Grayling on June 16. The program which is co-sponsored by the Grayling and Gaylord Chambers of Commerce, is designed to answer the question: What can computers do for me and my business?

Anderson holds bachelor's and master's degrees as well as his Ph.D. from the University of Nebraska with business management being his area of specialty. He has been an instructor for over 15 years and in private practice serves as a consultant for business and industry. His work with business includes aiding Mobil, Dow Corning, and British Petroleum.

The seminar will cover the advantages as well as disadvantages of using computers. Anderson indicated that the participants will be less apt to be confused and/or misled by computer vendors if and when they get to the point in the computerization process.

The seminar will be conducted at the Holiday Inn of Grayling beginning at 1 p.m. The cost of the program will be \$25 and registration blanks are available at the chamber offices.

Co-Op Nursery Fall Registration

The Grayling Cooperative Nursery will be holding its annual "Nursery School Roundup" on Tuesday, June 15, 6:30-8:00 p.m. All parents interested in registering their three or four year old child for the 1982-83 school year, should bring their child to The Roundup, along with immunization records and a \$10.00 registration fee to insure their child's place in the Fall Enrollment.

Refreshments will be served, so we hope you will take this opportunity to join us and see what your community Cooperative Nursery School is all about. Stop in anytime between 6:30 and 8:00 next Tuesday evening. For further information please call Janet Gilman, Membership chairperson, 348-5547.

Summer Program Slated For Hanson Hills

On June 21, Hanson Hills will open the doors of the ski lodge for a full fledged summer recreation program for the youth of the area. Nine classes are being offered during this first summer endeavor for the park. Included are classes in gymnastics, band, Kid's Theatre, soccer, softball, fly tying and fly fishing, nature study and volleyball. All of the classes are being offered on a tuition basis. Information was distributed to all the area elementary and middle school students last week and the registrations have already started to arrive at the park offices.

In addition to the organized recreation classes, Hanson Park will be open to the public all summer long beginning June 14. Included in the activities which the public is invited to participate in are hiking, canoeing, horse shoes, volleyball, basketball and backpacking. In the near future, ball diamonds will be added to the park complex as will shuffleboard courts. Area organizations are also invited to consider Hanson Park as an ideal spot to hold their summer picnics and outings. The park is also available as a meeting place, if area organizations are interested.

Full Ballot Awaits School Voters Monday

By Jon Thompson

Voters in Crawford County will have a long ballot to look at in the polling places Monday during the annual June school election.

Crawford-AuSable School District voters will be asked to decide on a millage renewal and select two school board members. They also can vote on a special education millage proposal for COOR and select three COOR board of education members and three Kirtland Community College trustees.

The millage renewal request will be for 16.9 mills for three years - a one-mill reduction from the 17.9 mill renewal that expired in 1981.

Four candidates are on the ballot for two Crawford-AuSable Board of Education four-year terms, Fred Allen and Mary Allen, of Grayling, Dorothy DeVos, of Lovells, and Anthony Latusek, of Maple Forest.

The special education millage request from COOR asks for a one-mill increase to the .75

mill levy previously approved by COOR voters for the education of handicapped persons.

Two Grayling men are running for six year terms on the COOR Board of Education. James Kolka, currently a board member, and Howard Lehti seek the two positions open along with Junior Clemens, of West Branch, and Michael Baumgartner, of Roscommon County.

Robert DenBoer and Barbara Falconer are on the ballot for one four-year COOR position.

No Grayling persons are trying for three KCC seats. Edward Behnke, Warren Bontrager, and Wynne Steuermol seek two six-year terms while A. Louise Turner and Elizabeth Veresh seek one two-year term. Bontrager, Steuermol, and Turner currently serve on the KCC board.

Voting places for Crawford AuSable District residents are located in Grayling, Frederic, and Lovells. The polling area for Precinct I, covering all of the territory of the former Grayling Public Schools, is the Grayling Middle School gymna-

sium. Voters in Precinct II, covering all the territory of the former Frederic Community School except Lovells, go to the Frederic Elementary School gymnasium. Precinct III votes, from Lovells Township, go to the Lovells Township Hall.

Crawford County residents in Beaver Creek and South Branch Township who reside in the Gerrish-Higgins School District will vote on the same COOR and KCC questions but will have different local school district questions.

Gerrish-Higgins is asking for a 9-mill renewal - the same amount of a renewal which expired in 1981. They're asking voters to approve the renewal for five years.

Two school board positions will be filled in Gerrish Higgins from a choice of three candidates on the ballot. John Cerven, Don Gardey, and Connie Mahalak seek the four-year positions.

Range firing will be conducted at Camp Grayling during the period 8-15 June 1982.

Firing will be performed in the following range areas: The Small Arms ranges located west of Lake Margrethe, north of Howe Rd, east of the gas pipeline and south of Portage Creek.

The Range 30 Complex located north of North Down River Rd, east of Jones Lake Rd, south of County Rd 612 and west of Damon Truck Trail.

The Range 40 Complex located north of County Rd 612, east of Guthrie Lake, south of Old State Rd 618 and west of County Rd F97.

The ranges will be closed during the period 8-15 June 1982 and all persons are warned to stay out of the areas identified.

Tony Moore, General Manager of Weyerhaeuser's new Grayling "Structurwood" Mill, Grayling, announced today that the first phase of employment has been completed.

Mr. Moore indicated that 62% of the people in the production areas and 21% of the people in the maintenance function came from Grayling or live within a radius of 25 miles. Weyerhaeuser had to extend the search area to find people with the maintenance skills necessary to start up and maintain the complex mechanical and electrical systems involved in this new facility.

Some of the new employees will be moving to the Grayling area. This should mean additional income for the shops, stores, real estate offices and other places of business in Crawford and the surrounding counties.

"Early in the project Weyerhaeuser made the commitment to consider local people for staffing the mill," stated Moore. "Overall, we are very pleased with the response from the Grayling area and look forward to a long and productive relationship."

Orientation and initial training were conducted through a joint effort of Weyerhaeuser personnel, the Michigan Department of Education, the Michigan Dept. of Labor and Kirtland Community College.

Mr. Moore stated that Weyerhaeuser was very

pleased with the interest shown in employment opportunities at the new facility. In excess of 1000 people placed applications through the Grayling office of the Michigan Employment Security Commission and participated in the selection process.

The assessment center approach to employment used at this mill was a first for Weyerhaeuser. "Although considerably more time and effort was spent in this comprehensive selection process, it was justified by the caliber of people who were hired," Moore stated.

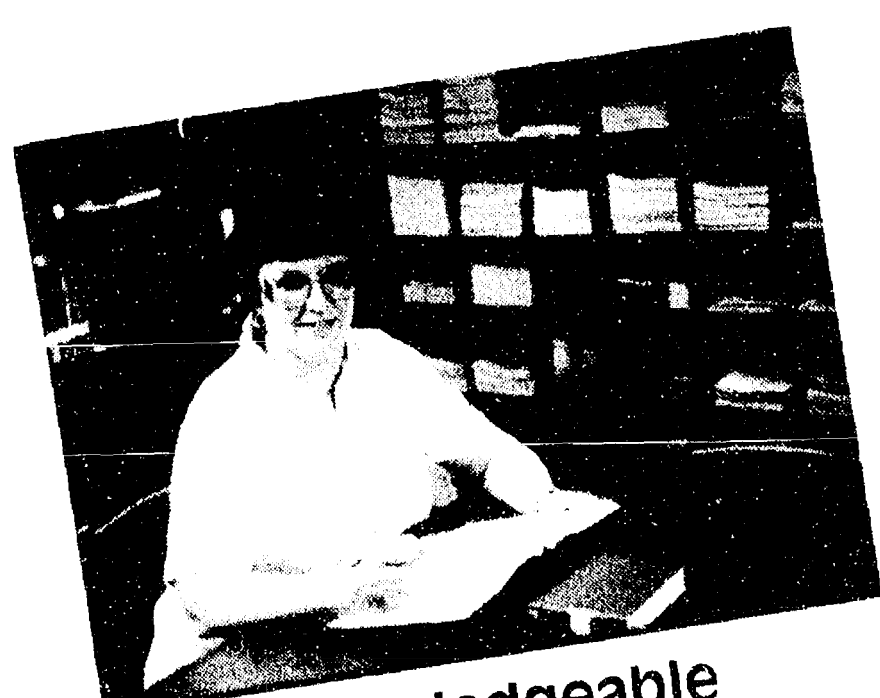

"A new mill is only staffed once and we feel strongly that the people employed will ultimately make the dif-

ference in the success of the Grayling Mill. Other companies can purchase the same technical equipment and locate comparable supplies of raw materials. The one factor they cannot duplicate is the unique combination of skills and knowledge that these people bring with them to this new operation. That is the reason the Weyerhaeuser is placing so much emphasis on people and their continued development."

From Our Corner ...

We're starting this week's column back in the environment we were in a couple of weekends ago...Mother's Day in Traverse City...this weekend was another must...we had to go over this weekend to help our number two granddaughter celebrate her 5th birthday, and she let me know in no uncertain terms, that her name is Stefany, not Stef or Stefy, so there...we don't count our birthdays anymore, but it is hard to stay young as you watch your grandchildren keep getting older...

As in the past, the fourth annual Corvette show sponsored by the Grayling State Bank was a huge success...the bank's parking lot was loaded as well as a portion of Peninsular Ave., on both sides, and when we visited the show, there was a huge crowd gathered throughout the cars...we are sure the show brought many people into town which should help our economy somewhat...sidewalk sales along Michigan Avenue were a part of the days activities...

Next Monday, June 14, the annual school election will be held...there are four running for two seats on the Board of Education...seeking the seats are incumbents Mary Allen and Fred Allen. They are opposed by Dorothy DeVos and Anthony Latusek...there is also a millage package for the electors to decide on, the official wording on the ballot is:

MILLAGE RENEWAL PROPOSITION (REDUCED FROM 1981 EXPIRED MILLAGE)

Shall the limitation on the amount of taxes which may be assessed against all property in Crawford AuSable School District, Crawford, Otsego and Kalkaska Counties, Michigan, be increased by 16.9 mills (\$16.90 on each \$1,000.00) on state equalized valuation for a period of 3 years, 1982, 1983 and 1984, for the purpose of providing additional funds for operating purposes (this being a decrease of 1 mill from the 17.9 mills which expired with the 1981 tax levy)?

We are going to vote yes for the 3 year package for the reason it will save money in the long run by not having to come to the voters each year to ask for money to operate the schools...the 16.9 mill that is being asked for is a decrease of one mill, down from 17.9...

Voters will have the opportunity to vote for COOR Intermediate School District Board and Kirtland Board of Trustees...

Those running for COOR are as follows: there are four running for two seats for 6 year terms: Michael Baumgarten, Junior Clemens, James Kolka and Howard Lehti; two people are seeking the seat on the board for the four year term, they are Robert DenBoer and Barbara Falconer.

Voters will decide on a millage proposal for COOR also...the reading is as follows...

SPECIAL EDUCATION MILLAGE PROPOSITION

Shall the three-fourths mill limitation (\$0.75 on each \$1,000.00) on state equalized valuation on the annual property tax previously approved by the electors of C.O.O.R. Intermediate School District, Michigan, for the education of handicapped persons be increased by one mill (\$1.00) on each \$1,000.00 on state equalized valuation?

The Kirtland Board of Trustees will have vacancies for six year terms and two year terms: there are three seeking the two seats for 6 years as follows, Edward Behnke, Warren Bontrager and Wynn Steuermol. Seeking the one seat for two years are: A. Louise Turner and Elizabeth Veresh.

All we urge from our corner is for the public to exercise their right to vote...that is what a free country is all about...

This about takes care of this week's effort...it is another hectic Monday...goodnight T.J., Stefany and Amber...and to all our readers have a nice weekend...think Father's Day on June 20th...

The Bible Speaks

From Calvary Baptist Church

The Authority Of the Law Romans 7:1-6

This article should have preceded the June 3rd column.

The central teaching of Romans 7:1-6 is best summarized by Paul's statement in Galatians 2:19: "For I through the law am dead to the law, that I might live unto God."

The dominion of God's law is concerned with those who are alive under such law. "Know ye not, brethren (for I speak to them that know the law,) how that the law hath dominion over a man as long as he liveth?" Romans 7:1.

Death frees one from God's law even as the analogy of marriage supports: "For the woman which hath an husband is bound by the law to her husband so long as he liveth; but if the husband be dead, she is loosed from the law of her husband." Verse 2.

One cannot claim sanctification by God's law and God's grace at the same time, just as a woman can't be married to two husbands: "So then if, while her husband liveth, she be married to another man, she shall be called an adulteress: but if her husband be dead, she is free from that law; so that she is no adulteress, though she be married to another man." Verse 3.

To apply these truths to our sanctification, the law of God condemned us to death for our sin. Christ took our place and died for our sins, fulfilling the demands of the law. God's righteous law has been satisfied, and we owe our allegiance to Jesus

Christ who paid our debt and arose to give us eternal life. "Wherefore, my brethren, ye also are become dead to the law by the body of Christ; that ye should be married to another, even to him who is raised from the dead, that we should bring forth fruit unto God." Verse 4.

All God's law could do before Christ saved us was to stir up our sin nature and point us toward death: "For when we were in the flesh, the motions of sins, which were by the law, did work in our members to bring forth fruit unto death." Verse 5.

Now that Christ lives in our hearts, the letter of God's law which brought us condemnation and death is no longer our master. Christ has delivered us "Christ hath redeemed us from the curse of the law, being made a curse for us..." Galatians 3:13. We now serve God in newness of spirit, "But now we are delivered from the law, that being dead wherein we were held; that we should serve in newness of spirit, and not in the oldness of the letter." Verse 6.

Just as most false religions of the world insist on good works to be saved, even so, most of them also insist on continued strict observance of God's Holy Laws to become sanctified. If they fail on one they must pay a price of penance for their sin or be lost. What unscriptural bondage, sadness and despair to place on depraved humans who can do nothing but fail. "Howbeit in vain do they worship me, teaching for doctrines the commandments of men." Mark 7:7. (adv.)

Big Flies Mean Big Trout

The Hendricks didn't come off to well, the Black Caddis were spotty, the Sulphur Dunns were slow in hatching and so far the Drakes seem a bit inconsistent. It all adds up to fly fishing suddenly & perhaps to some, surprisingly getting red hot in the near future. Mother Nature has set up the elusive trout and the wise fishermen maintaining their patience are going to catch lots of very nice trout soon.

To help us prepare for the onrush of wise fishermen, our guest fly tying expert this week is none other than "the grand daddy of McMasters to Parmalee" himself Mike Wieland. Husband, father, teacher, coach, hunter, fisherman, guide and fly tier, Mike wears many hats throughout the year. When it comes to big trout - this is one of the best fly tiers you can talk to. We invite you to stop in & meet Mike first hand. With the big flies hours away, our fly shop has what you need to do it right.

Bits O'Talk

By Fay Bovee

Mrs. Robert Strong has returned home after spending the winter in Florida. Enroute home she visited the home of her daughter and family the Bob Luter's in Clarkston and also attended the wedding of her grandson Rob Luter to Barbara Baker in Kalamazoo.

Sandy Luter and Mrs. Ted Davenport brought her home. Mrs. Davenport visited at the home of the Max Davenport family while here.

Howard & Eloise Schmidt & niece Phyllis Thompson held an open house Sunday at the Schmidt's residence on Chestnut St. entertaining Evelyn Thieme Schmidt of Racine, Wis., and her sister Mildred of Las Vegas, Nev. Students and friends of Mrs. Schmidt from 1930-34 stopped in to visit and talk over old times. On Monday Mrs. Thompson held a luncheon at her home on Robinhood lane for the family.

Lovells News

By Ruth Caldwell

Mr. and Mrs. Harrison Maltby attended the graduation dinner at the Peer in Petoskey in honor of their grandson, Brian Hill, son of Mr. and Mrs. Gary Hill of Petoskey.

Mr. and Mrs. John Kaumeyer attended the graduation of their granddaughter, Carol Summers in Detroit.

Congratulations to our graduates Heidi Miller, Jill Behlke and David Case.

Mrs. Elsie Kearney is a patient at the hospital in Petoskey. Her many friends wish her a speedy recovery.

Mr. and Mrs. Darrel Behlke attended the funeral of his uncle in Kalamazoo on Saturday.

Word was received of the death of Louie Bills in Saginaw. Mr. Bills spent many summers in our area. Mr. and Mrs. Ed Mullin enjoyed having several members of their family with them over the weekend.

Mr. and Mrs. Hans Renius and Mrs. Carol Gauthier were called to Detroit due to the death of the former's daughters, Mrs. Ann Szumanski, who was also Mrs. Gauthier's mother.

Mr. and Mrs. Eddie Harwood and daughter, Erin, spent the weekend with his mother, Mrs. Margie Harwood.

Fred Schaibly attended the graduation of his niece in Lansing over the weekend.

The Swinging L's square dance club had a nice turnout at their May 27th dance. Guests came from Bay City, Mio, Gaylord, and Luzerne. A snack luncheon was enjoyed by everyone. Prizes were won by Margie Harwood, Terry Hunt, and Em McDonald. Remember June 24th is election of new officers and July 8th membership dues are due. Hope to see some new and old faces every 2nd and 4th Thursday from 7:30 to 10:30 p.m.

Hartwick Pines One of Michigan's Historical Museum

Four of Michigan's seasonal historical museums are open for the 1982 season, Secretary of State Richard H. Austin announced today. A fifth, the Father Marquette Memorial Museum at St. Ignace, is not yet scheduled for opening.

The museums, located in Michigan State Parks in Delta, Keewenaw, Mackinac and Crawford counties, offer travelers and tourists a view of Michigan's past. They are administered by the Michigan Department of

State in cooperation with the Michigan Department of Natural Resources.

Fort Wilkins Historic Complex in Fort Wilkins State Park at Copper Harbor. The story of 19th century military life, the history of Michigan's "copper country", and tales of Lake Superior shipping come to life in this fort and lighthouse complex that dates back to 1844. Open from 8:00 a.m. to 8:00 p.m., seven days a week through the fall color season and admission is by Michigan state park motor vehicle permit.

Historic Fayette Townsite, Fayette State Park, on the Garden Peninsula off U.S. Highway 2 in Delta County. Nineteen historic structures remain from the village where the famed Jackson Iron Company smelted Michigan iron ore from 1867 to 1891. A visitors' center, period room presentations, walking tours and modern exhibits tell the story of Fayette and its iron workers of a hundred years ago. Open 8:00 a.m. to 8:00 p.m., seven days a week, until mid-October. Admission is by Michigan state park motor vehicle permit.

Hartwick Pines Lumbering Museum in Hartwick Pines State Park at Grayling presents the story of

Michigan's "White Pine Era," through museum exhibits including a restored lumber camp. This year a new series of exhibits on logging and the people involved will greet visitors. Open 8:00 a.m. to 8:00 p.m., seven days a week through late fall. Admission is by Michigan state park motor vehicle permit.

Sanilac Petroglyphs in Sanilac Petroglyphs on Germania Road in New Greenleaf Township in Sanilac County, four miles east of M53. These ancient Indian rock carving are reminders of the long cultural traditions of Michigan's Indian peoples. Open from 8:00 a.m. to 8:00 p.m., seven days a week through the fall. No admission fee.

Pre-Registration at Kirtland

Get a head start!...Kirtland Community College will be holding pre-registration on June 9, 10 and 11, and June 14-17 from 9:00 a.m. to 6:30 p.m. in the Student Services Office, for persons planning to attend classes this fall.

This summer pre-registration period will be the only one offered for the fall semester, and gives students the chance to reserve classes well in advance of regular registration, held August 24 and 25, from 9 a.m. to 6:30 p.m.

Students pre-registering for Fall must pay their tuition by July 23, 1982. Tuition is assessed at \$20 per credit hour for in-district students, \$26 per credit hour for out-of-district students, and \$32 for out-of-state students. A one time \$10 application fee will be assessed all new students. Lab fees will be charged for some classes (check schedule).

For further information on pre-registration for the fall semester at Kirtland, contact the College's Student Services Office at 517-275-5121.

Receive U of M Awards

Two Houghton Lake and two Roscommon students were named University of Michigan Regents-Alumni Scholars. Karen Henderlong and Elizabeth Hindman, of Roscommon, and Penny Halliday, of Houghton Lake, and Nona Roseboom, of Prudenville, all received the award.

Editor's Mailbox

To the Editor:
I feel very positive about the upcoming millage election. Finally, we have a chance to vote not only for a lower millage but also for a 3 year renewal.

The 3 year renewal (instead of 1 year) should be good for several reasons:

1. We will save time and money on fewer elections.
2. The Board can devote more of its time to matters other than where the money will be coming from for the next year, thus allowing more time for long range planning, so important for successful (and less expensive) school years.
3. We, as taxpayers, will have some idea of what our tax bill will be for more than one year at a time.
4. Of course, if property valuations increase, our Board can, without another election, lower the millage even more.

I feel that all of the people in the Crawford-AuSable School District have a chance to grow together with this election. I'm voting "YES!"

Barbara Febey

District Court

The following persons appeared before Judge Francis L. Walsh in 83rd District Court:

Tim Huffman, 25, of Roscommon, demanded examination to five charges of breaking and entering.

Robert Hale, 38, of Grayling, demanded examination to a charge of receiving and concealing stolen property of a value more than \$100.

Roger Boone, 22, of Frederic, demanded preliminary examination to a charge of felonious assault.

Kenneth Struble, 38, of Grayling, demanded preliminary examination to a charge of issuing a check with non-sufficient funds. The check was allegedly written for an amount more than \$50.

Stephen Kapets, 21, of Grayling, plead guilty to a charge of impaired driving. He was fined \$255 or 14 days. He was cited May 27 by Crawford County Sheriff Dept.

David Longstreet, 35, of Grayling, plead guilty to a charge of impaired driving. He was fined \$305 or 14 days. He was cited Feb. 11 by sheriff deputies.

Liland Charron, 66, of Frederic, plead guilty to a charge of impaired driving and was fined \$255 or 14 days. He was cited Sept. 16, 1981, by sheriff deputies.

Fenton Davison, Jr., 35, of Bay City, plead guilty to a charge of impaired driving and was fined \$305 or 14 days. He was cited May 1 by sheriff deputies.

CLOWN DAY AT KIRTLAND - As one of their many activities, children at the Kirtland Community College Day Care Center participated in "Clown Day" on May 5, 1982. Frederic Community Library

The library reading program will begin June 14 and run through August 27, 1982. For more information inquire at the library located at the Frederic Township Hall.

We recently received "Eden Burning" by Plain and "The Parsifal Mosaic" by Ludlum from the Crawford County Library.

Karen Cooper donated "The Reluctant Dawn", "Ashton's Folly", "A Candle in the Wind", "The Cinderella Season" and "The Arrogant Aristocrat".

Ken Short donated several westerns.

Some new books purchased by the library are: "Decorating with Crochet", "The Color Atlas of Human Anatomy", "Gray's Anatomy", "The Complete Prophecies of Nostradamus", "Innovative Machine Quilting", "The Zucchini & Carrot Cookbook", "Murder Most Royal" and "The Cinder Path".

For the younger readers we have: "Sultan the Tiger", "Flippy the Dolphin", "Amy's Dinosaur" and "Kipling's Just So Stories".

Library hours are 9 a.m.-5 p.m. Monday through Friday.

Come in and look around, you'll be surprised at the good selection we have.

MIGHTY DUCK HUNTERS—With enough ducks hanging up to make any modern duck hunters long for the good old days, Paul Lovely, standing, Axil Michelson, middle, and J.W. Hartwick, right, pause around their campsite for a picture taken in 1915. The duck hunters enjoyed a successful outing at Lake St. Helen bagging all the ducks in the photo below. Dear Editor,
Well, it's that time of year again - we all flock to the garage sales for new treasures. We have our Avalanches in hand to see where they're at this week and some list what they have so maybe if there's something we're looking for specifically we try to get to that sale as soon as it opens.

I've been to endless sales for an advertised item only to be told it's already sold or that a friend is coming to look at it. I do wish people would not advertise certain things if their not going to have them when we get there. I can understand if someone gets there before me (usually you will see them carrying the item away) but not if the item was sold two days before the sale started.

C'mon people - if you're going to sell to your friends - don't advertise the items in the paper for suckers like me. I do wish more people would say in these ads - No Early Sales - Cash In Hand Sales - It would certainly save my time and gas in my car.

PAAPN Test at Kirtland

One of the admissions requirements to enter the Practical Nursing Program at Kirtland Community College is satisfactory performance on the National League for Nursing's "Pre-Admissions Assessment for Practical Nursing" Test (PAAPN Test - formerly PACE Test). The PAAPN Test will be given in the Kirtland Community College auditorium on Saturday, July 10, 1982.

Registration will begin at 8:00 a.m., with testing starting at 8:30 a.m. Refreshments will be served during testing (it will take approximately six hours to complete the entire battery of exams).

In addition to the PAAPN test, a math pre-test and a reading readiness exam will be given. Satisfactory performance on all three tests is required. Individuals who score less than 75% on the math pre-test will be required to take a math class prior to admittance to the nursing program.

A \$15 fee will be assessed (\$12 for the PAAPN Test, and \$3 for the math and reading test) and checks should be made payable to Kirtland Community College. The testing fee is payable on the day of the exam.

For further information, contact the Student Services Office at Kirtland at 517-275-5121, ext. 261.

Bits O'Talk

By Fay Bovee

Among the survivors of Carrol (Bud) Gould were four step-grandchildren and a very good friend, who was also his father-in-law, Lowell Phillion, of Frederic.

Sorry, folks, little news because I'm taking a week or so off to recuperate from cryosurgery on my eye.

Mr. and Mrs. Herman Myers of Nevis, Minnesota spent the month of May in Midland visiting relatives and friends. They came to Grayling to visit his cousins, Mr. and Mrs. Homer King, Sr. and friends. They left June 2 for home.

Mr. and Mrs. Stewart Rose and her mother, Mrs. Evelyn Nugent, were in Canada for two weeks on a camping trip. They brought back his 84-year-old mother, Mrs. Garfield Rose, of Owen Sound, Ontario, to spend two weeks. This is the first time in 30 years that she has been in the U.S. and they intend to do a lot of sight-seeing with her.

Guests of Mrs. Irene LaRush over the Memorial Day weekend were her son and family, Tim and Nancy Perry, Angela and Kelly of Greenwood, Indiana. They also visited her mother, Mrs. Thelma Hubbell. Other guests were Mr. and Mrs. Skip Christy and son, Ricky of Berkeley, Mi., Bill Smith and Dick Weckesser of Brighton, and Mr. and Mrs. Al Sly of Westland. Spending a week with Irene are Mr. and Mrs. John Prior of Rochester, Mi.

Letter to the Editor

We would like to make a suggestion to those who are stuck with the job of trying every year to organize an acceptable tribute to our dead servicemen on Memorial Day.

A non-denominational church service, (no contributions) at the largest church, or every year a different one, or even an acceptable building.

A breakfast served at the American Legion before or after the service.

Then a Memorial Service at the cemetery and Court House.

Maybe this could be the answer to remembering our servicemen who died for our country and its people.

Century 21 Investment Society Hosts Seminar in Grayling

A seminar on listing, selling and closing businesses with liquor licenses was hosted by the Century 21 Investment Society at the Grayling Holiday Inn on June 4.

James Harry of Grant & Harry Associates, Inc. of Royal Oak conducted the 5-hour session for 30 Century 21 personnel from various Northern Michigan offices including local Century 21

brokers, Sandy and Carol Thompson.

The extensive presentation covered every aspect of a liquor transaction including licensing regulations, legal documents and proper procedures.

A "Golden Exchange" session was included in the program which allows each member to express "haves" and "wants" in investment real estate. The Society will meet regularly in Grayling.

Citizen Groups Take Three Initiated Laws To Ballot

Warren M. Hoyt, Executive Director, MPA

Certain citizen groups evidently feel the Legislature is not addressing three areas they feel important.

The groups, seeking initiated laws to curb utility rates, to call for a nuclear weapons freeze and to eliminate due-on-sale clauses in mortgages, have filed petitions to get the question on the 1984 ballot. One such question seeks to cut welfare benefits in Michigan.

The utility rate proposal, spearheaded by Attorney General Frank J. Kelley and the Michigan Citizens Lobby, would ban automatic rate increases to cover a utility's increased costs for fuel or purchased power, requiring full contested hearings on those rates as on regular rate requests.

The proposed act would further prohibit a utility from asking for a rate increase while a prior rate case is pending and prohibit the Public Service Commission from holding two or more hearings on the same case at the same time.

Kelley said the proposal would return utility rate regulation to the method used for 50 years.

He added he would actively oppose efforts by the Legislature to put a competing proposal on the ballot, a move often only leading to voter confusion.

Meanwhile, Representative Jack Gingrass (D-Iron Mountain) is reviewing a proposed legislative alternative to the petition drive as the Legislature has another 40 days beyond the petition deadline to approve or reject a proposed initiated law.

The House Economic Development and Energy Committee, which Gingrass chairs, is discussing the possibility of the Legislature drafting a legislative initiative that would also prohibit automatic pass-through rate increases for natural gas and electric utilities.

Gingrass suggested that such a

proposal might be drafted because of concerns that the initiated proposal could prove detrimental to consumers and utilities alike.

Another 375,000 signatures were filed in favor of a proposal calling for a freeze on the development of nuclear weapons. The proposal requires the Legislature to petition the federal government for a freeze in the development and deployment of nuclear weapons.

Michigan would be the fourth state to have a proposal on the ballot in November along with California, Wisconsin and Rhode Island. New Jersey could follow as a proposal in that state is waiting the signature of the governor.

The mortgage proposal, banning mortgage clauses requiring the payment of the balance of the mortgage when a house is sold rather than permitting a buyer to assume the mortgage and its existing interest rate, was backed by an estimated 330,000 signatures.

Initiated laws require an estimated 239,377 valid signatures to get a question on the ballot.

The welfare limitation amendment-setting benefits at the average of the five surrounding states of Minnesota, Wisconsin, Illinois, Indiana and Ohio-fell about 75,000 signatures short of making the 1982 ballot.

The petition drive will continue, said leader Nancy Clark of a group called "Save Our State". She said the group now hopes to complete the requirements by June, with an aim at qualifying for the 1984 ballot.

Clark said the recently-enacted income tax increase, the urging of Florida officials that refugees go to Michigan for welfare benefits, and the organizational aid of the state Chamber of Commerce were all enormous assistance in the last month, but they came too late. She concluded the main problem encountered by petitioners was apathy.

Par For The Course

By Fay Bovee

Shirley Bendig seems to be coming back strong after her recent surgery and managed a low of 42 on Wednesday, June 2, while also having only 12 putts, two chip-ins on number 1 and 2 and also two birds on number 1 and 9. Ruth Nielson tied her with 12 putts and three women tied for low net Babe Aderente, Thelma Bateman and Shirley while Carol Thompson also chipped in on number 2 and 8. It sounded like a good day for Flight A. Clara Beaufait copped all three Flight B prizes with a low of 47, net of 29 and putts of 14. In Flight C, newcomer Lucille Smith, took both low of 56 and low net of 26 while Marion Joseph put in 17 putts, and Barb Nielson managed a chip in and bird on number 3.

New Attorney Joins Law Firm

The law office of Benson, Bloomquist, Wegner & Hunter announces that Dale F. Kelly has joined them in the practice of law. Mr. Kelly is a native of Michigan, born in Lansing. He spent four years in the United States Navy and attended college at the Grand Valley State colleges in Allendale, Mich.

He received a Bachelor of Science degree in Legal Administration in December, 1977. He then attended Thomas M. Cooley Law School, graduating in May of 1981, cum laude.

Mr. Kelly is married to the former Mary Mooney of Grand Rapids and has one child, Jessica, 2½ months old.

The Kellys are planning to make Grayling their home and look forward to serving the people in the community.

Dinner-Dance June 19th

Our Dinner-Dance this year will be at St. Mary's Family Center on Spruce Street beginning with a social hour with a choice of Southern Comfort punch or plain punch, a prime rib dinner with strawberry shortcake dessert, and dancing to the music of the "Shades of Blue" Orchestra from Flint and Port Huron.

This is the big night that you have all been waiting for when we will be announcing the "1982 Outstanding Senior Citizen." Door prizes will be given during the evening. The cost for the evening will be \$12.50 per person. Cocktail Hour 5:30 to 6:30 followed immediately by Dinner. A great party please come. If you like drinks while dancing BYOB.

RSVP Reports

By Sherry Haag, Director

Welcome to news of the Retired Senior Volunteer Program. It seems that no one needs to be reminded that the population is gaining rapidly. Older people now represent 14% of the State's population. By the year 2000, they will comprise 15½%. But we need to be reminded what all these statistics mean. How will we function in our society given the aging population? What are the political realities? How do we personally feel about growing older?

As May, the month set aside to honor older Americans, passes, it gives the individual a chance to answer these questions and decide what his or her level of involvement will be.

Through the state's Office of Service to the Aging, Commissions on Aging statewide and RSVP's in the state, you as the senior population are offered many opportunities to become involved. Through these service efforts, the public is being informed about the positive aspects of aging.

As a senior citizen, your voice in the local community, state, and national level is important. You have years of talents, skills, and experience. Be your own best advocate - let your legislators know how you feel on the issues that will be affecting you. Make yourself known. Feel good about yourself as a senior. We have a list of legislator's addresses for state and national representatives at the RSVP office. If you need information, stop by or call the office at 348-4341 or 348-8322.

We still need volunteers for the Chamber of Commerce Office on Saturdays from 1-4. It's so important for the chamber to present a good face to visitors to our community. How about giving one Saturday to help the chamber.

Also need substitutes for the Historical Society and Hartwick Pines. Both places are important to give visitors to the North and Grayling a good representation of the people of this area.

Remember, keep in mind the Box Social on July 24, 1982. We have been asked by the Milltown Festival Committee to ask people if they would dress in the mode of the Milltown days. So please start thinking about what you'd like to wear. There will also be a Fashion Show and we'll be needing judges for that.

If you would like more information about RSVP, give us a call at 348-4341 or 348-8322.

THERE'S YOUR TAX MONEY LEAVING AGAIN.

WHERE TO? FOR WHAT?

To the Crawford AuSable School System? or for More Wage and Fringe Benefits?

DID THE BOARD TAKE OFF MILLAGE?

YES 1.78 mills **BUT** they still got over \$600,000.00 more than last year.

Has there been public notice of wage freezes or concessions by the administration?? **NO** there hasn't been.

WHY VOTE ON 3 YEARS?

With inflation the way it is, plus increased evaluations of land and homes, will you be able to pay your taxes 3 years from now? Will the present board give it away to wages and not curriculum?

Your taxes may not have changed this year, but what about next year and the year after??

WHAT CAN YOU DO ABOUT IT VOTE JUNE 14, 1982

Base your vote on your neighbors increase in taxes and yours in the future.

Base your vote on the credibility of the present School Board, which made you say **NO** 3 times last year in elections.

We won't dwell much on the two School Board members coming up for re-election. They haven't done much or listened to the voters, plus you know what they have done to our school system the last several years.

Change Things by getting equal representation thruout the county, one from each township on the school board. This will make a dissadent board, but there won't be **YES** people on it.

4th GRADE JUNIOR DEPUTIES—More than 135 fourth-graders became Crawford County Junior Deputies as Sheriff Joe White and Sergeant Paul Smith hand out certificates, identification cards, and badges to students successfully completing the year-long junior deputy course. Once a week during the school year, Smith, in charge of the program, talked to the kids about law enforcement or brought in speakers from Kirtland Community College, the Grayling Fire Dept., the Camp Grayling Fire Dept., the DNR Fire Division, and the DNR Conservation Officer Division. The junior deputy program has been taught since 1977 to fourth graders.

Local Health Providers Give Support to Kirtland ADN Program

Area health care providers of the Kirtland Community College district and the surrounding area, have given their support for the recently approved Associate Degree Nursing program, scheduled to begin as early as this fall on the campus.

"Both LPN's and ADN's are needed and utilized in our hospital. As we are experiencing rapid growth, I see that the need for both types of nursing not only will stay in demand, but will in-

crease. I feel that this is true of our entire area," wrote Robert Kemp, Gaylord Otsego Memorial Hospital Administrator.

Arthur Crawford, Chairman of the Board of Trustees at Tolfree Memorial Hospital in West Branch commented, "We feel the proposed Register Nurse program will be of great benefit in helping this hospital accomplish some of our future goals and objectives."

Sister Mary Hilda, R.S.M., Chief Executive Officer, Grayling Mercy Hospital, wrote, "The initiation of the Licensed Practical Nursing program in 1973 helped tremendously in filling the needs of Licensed Practical Nurses at Mercy Hospital. If this program had not been made available at Kirtland College, it would most likely have placed us at a disadvantage in meeting our staffing needs of Licensed Practical Nurses."

Letters of support were also received from Mercy Hospital in Cadillac (Sister Mary Juliana Gust, R.S.M., President and Chief Executive Officer); and Tawas St. Joseph Hospital (Michael L. Jones, Administrator).

The Kirtland Community College Foundation, a non-profit organization, has pledged proceeds from this year's fund raising drive toward implementation of the Associate Degree Nursing Program (for training registered nurses). The drive was kicked off on April 2, 1982, with a press luncheon to inform the local medias about the ADN program and the fund raising drive. During the months of April and May, Catherine Fritz, KCC Director of Health Occupations, conducted live interviews with several local radio and television stations in regard to the nursing program.

Beginning April 19, a letter campaign began. Solicitation letters went out to approximately 10,000 persons in and around the four county area. A Phon-a-Thon followed, beginning May 17, to personally contact those persons on the mailing lists. Outside funding agencies and foundations are now being contacted in an effort to seek additional financial support.

Any individual or business that has not been contacted by letter or phone and wishes to make a donation, restricted or unrestricted, to the Kirtland Community College Foundation, should call or write to: Kirtland Community College Foundation, Rt. 4, Box 59A, Roscommon, MI 49633, 517-275-5121, ext. 210.

Completes Gen-Tel Course

Tom Trenary, switching office supervisor at Roscommon, recently completed a Problem Analysis/Decision Making course at the company's training center in Muskegon, according to Bob Kowalski, division manager.

The course is designed to help management employees improve their skills in making decisions and solving problems. Students in the two-day session identify factors that may make decision making difficult and learn ways to avoid potential problems.

Mr. Trenary resides in Grayling.

Doodles From The Tall Timber

Wendell L. Hoover
Park Interpreter

While taking a group of fourth graders from Clare on a guided hike through the Tall Timber, we took a few moments to listen to the sounds of the forest. A slight breeze made for a soft sighing sound in the treetops where several species of resident and non-resident birds were singing and calling. Above it all was the call of Hyla crucifer from a not-too-distant pond. I am referring to what we commonly call the Spring Peeper, which is not much over one and a quarter inches long. Despite its small size, the distinct call can be heard for a mile, but it is only the male which does the calling.

The male is usually darker than the female with yellow on the groin and with a brown or black throat, while the female is white in the throat region. Both male and

female have a dark cross on the back (which accounts for the Latin name) and dark bands on the legs. At this time of year, they are found in marshy areas or ponds. In the summer, they may be found sixty feet or more up in the trees. Throughout its life, it has many enemies, from fish and salamanders to birds and squirrels.

We might question what place in nature's plan this creature has, but we need only know it serves as a useful check on insects (many of which cause us problems) and what better indicator is there of spring than the unique call of the seldom-seen peeper.

GRAYLING ELEMENTARY SCHOOL NEWS—The second grade class wrote a thank you note to McDonald's for helping make the balloon launch possible. (McDonald's supplied the balloons, helium, and string for the launch.) Each second grader signed the thank you note which was written by Angela Thompson from Mrs. Ingvarsson's class. Here are a few second graders as they look at the finished letter. Pictured are Ricky Aytes, Kim Gray, Chris Lehti, Jeanne Hayes, Scott Haas, Cindy Fedewa, and Steve Deakins.

SHARED LIGHT

In what poets have called the "dark forests" there live millions of small trees, saplings, ferns and shrubs. Foresters call them the "understory."

The understory survives and ultimately flourishes on *shared light*. It seems to be a principle of Nature that big trees have an obligation to let through light for the little ones.

A similar principle applies to spiritual survival and moral development. Grown-ups are expected to make thoughtful provision for the religious training of youth. Parents have a responsibility to God in guiding the spiritual education of their children. The Church through its ministries of worship and teaching supports our resolve to let through *light* for the little ones.

Grayling High School Honors Ceremony June 3

ROY MILNES AWARD—Marian Matyn receives congratulations from Clara Sorenson for being awarded the prestigious honor. The award is given to the outstanding student of the senior class.

BELIEVE IT OR NOT—Lisa Logan, GHS senior, was honored last Thursday for perfect attendance during her senior year. Logan's string of perfect attendance goes back even further - she hasn't missed a day of school since the sixth grade. Mike Branch, in presenting the perfect attendance award to Logan, said it was the first time a senior has been given the award.

CARL W. BORCHERS MEMORIAL SCHOLARSHIP—Clara Sorenson, representing the Grayling High School Alumni Association, congratulates Larry Goodale on his selection as the winner of the 1982 Carl W. Borchers Memorial Scholarship. (Photos by Jon Thompson)

GHS ATHLETES OF THE YEAR—Named Grayling High School athletes of the year were Diane Lee and Brad Trenary. Lee played basketball, skied, and had an outstanding track season making it the state finals in three events. Trenary enjoyed top-notch seasons in football, basketball, and baseball.

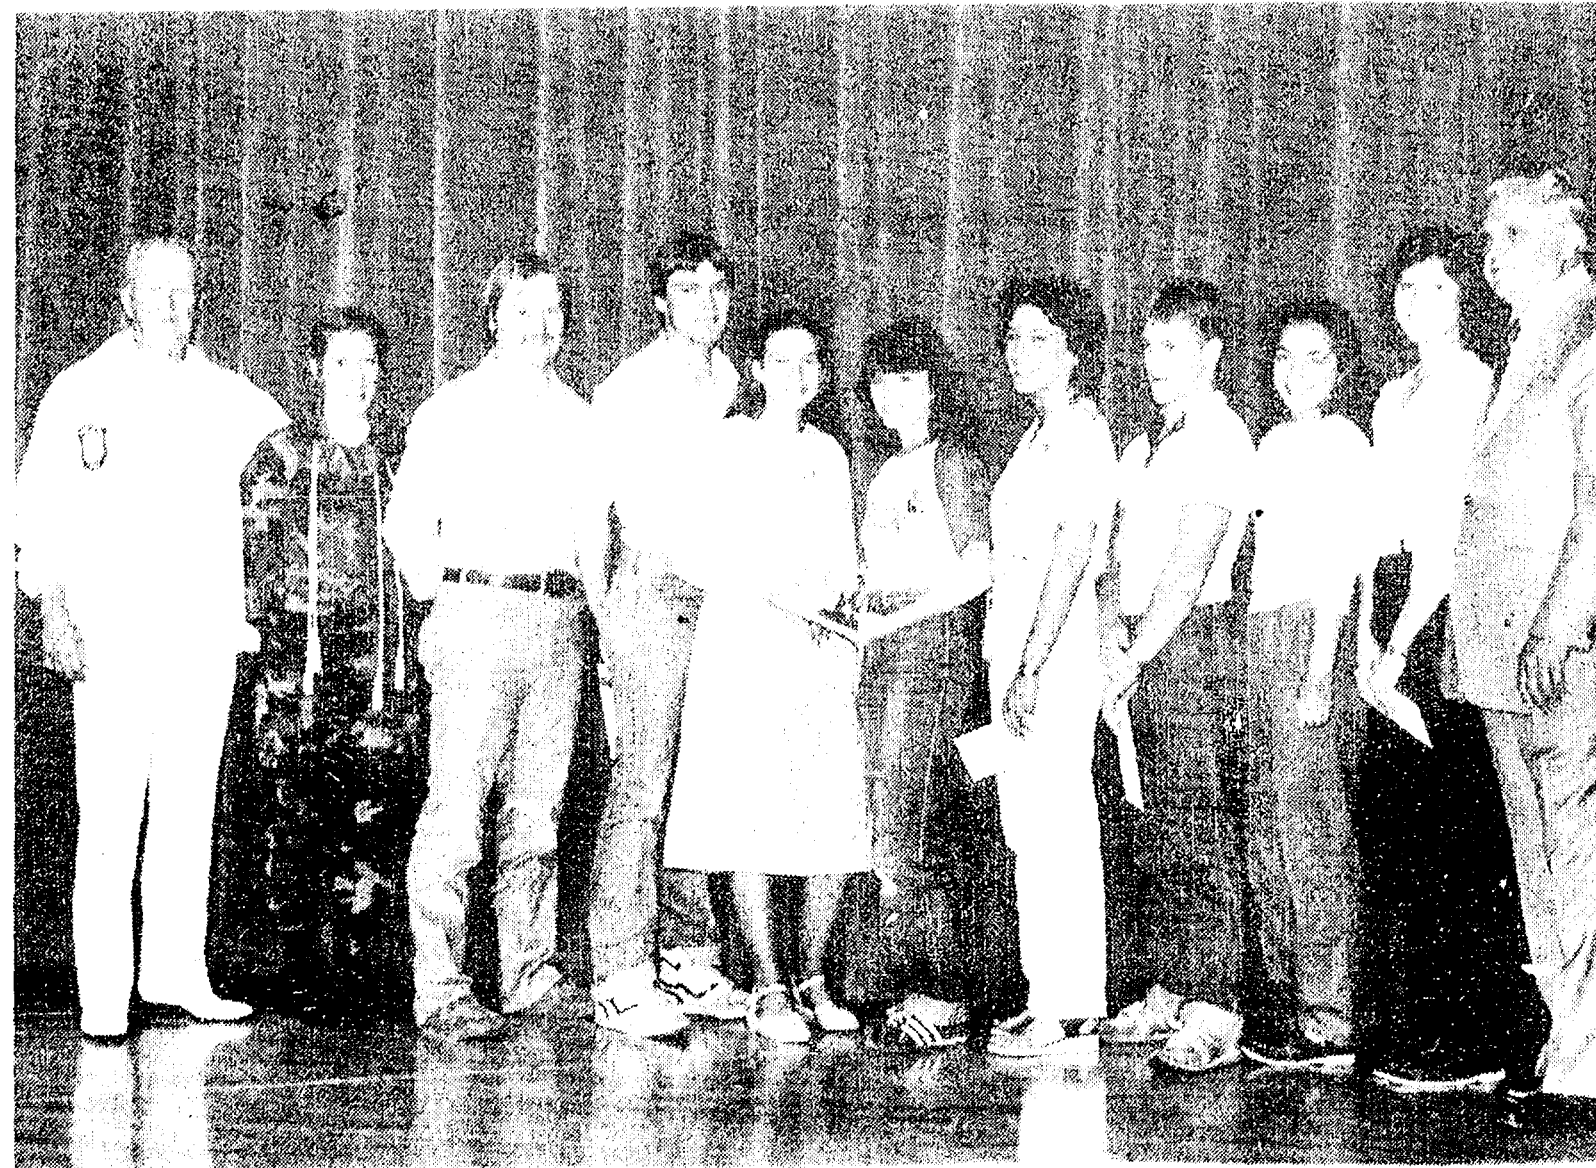

well done, CLASS OF '82

CHEERLEADER OF THE YEAR—Shawn Lovely won the GHS Cheerleader of the Year award for 1981-82. Cheerleading coach JoAnn Ferguson presents the award to Shawn at the GHS Honor ceremony.

WIN ACTING AWARDS—These five seniors, Larry Goodale, Marian Matyn, Mark Hamilton, Shelly Leal, and Tim Taylor won acting awards for fine performances on the stage and in directing and production work. John Watkins and George Morse also won acting awards.

BOOSTER CLUB SCHOLARSHIPS—Receiving scholarships from the Grayling Youth Booster Club this year are (second from left to right) Mandi Stillwagon, Jeff Stampfly, Jack Money, Marian Matyn, Cathy Diedrich, Mary Jo Bonkowski, Tim Ferrigan, Eileen Kelly, and Bonnie Keusch. Irv McIsaac, left, and Bud Joyce, right, representing the Grayling Youth Booster Club, handed out the scholarships.

TEACHER OF THE YEAR—Charles Spencer can't help beaming as Mary Jo Bonkowski presents him with a plaque naming him teacher of the year. Spencer was presented with the award at the GHS Honors ceremony last Thursday.

GHS ALUMNI SCHOLARSHIPS—Clara Sorenson, right, hands Bonnie Keusch her scholarship award from the Grayling High School Alumni Association. Jeff Stampfly, second from left, and Dawn Gabriel, left, also received GHS scholarships.

Michigan Banks Agree To Affiliation

An agreement in principle for affiliation between Citizens Banking Corp., Flint, Michigan, and Farmers & Merchants State Bank of Hale, Michigan, has been reached by the Board of Directors of both institutions. The agreement was announced jointly by Howard L. Gay, President of Citizens Banking Corp. and Richard E. Parkinson, President of Farmers & Merchants State Bank.

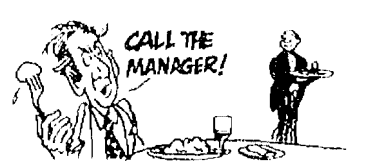

The Farmers & Merchants State Bank serves the communities of Hale, Rose City, Whittemore, Glennie and Sand Lake. It has shown rapid growth since its incorporation in 1951, with assets now totaling approximately \$52 million. Mr. Parkinson noted, "This affiliation by Farmers & Merchants Bank with Citizens Banking Corp. will bring to our central northern Michigan communities, the financial and technical resources of one of Michigan's leading financial institutions. We are pleased that we will be associated with one of Michigan's largest banks that has served the Flint area continuously for 111 years."

Citizens Banking Corporation is the Bank Holding Company headed by Citizens Commercial & Savings Bank, Flint, Michigan. The Citizens Commercial & Savings Bank was established in 1871 and now operates 33 offices throughout Genesee, Lapeer, Shiawassee and Oakland Counties, with assets of more than \$1 billion. The Grayling State Bank, Grayling, serving the communities of Grayling and Frederic, has previously agreed to join the Citizens Banking Corp.

Howard L. Gay, President of Citizens Banking Corp., stated that "the affiliation with the Farmers & Merchants State Bank will give additional strength and diversification to the Citizens Banking Corp. We are pleased that we will be associated with this growing area."

Robert A. Burchfield, Executive Vice President, commented "the officers and directors of the Farmers & Merchants State Bank have done an excellent job of providing their communities with quality banking services. We intend to provide the resources and assistance for personalized locally managed banking in these communities."

The proposed merger is subject to approval by the Michigan Financial Institutions Bureau, the Federal Reserve, the Federal Deposit Insurance Corporation, and other regulatory agencies.

Notice of Public Hearing on Project Plan For Weyerhaeuser Company Project Including Issuance of Bonds by The Economic Development Corporation Of The County of Crawford

NOTICE IS HEREBY GIVEN that the County Board of Commissioners of the County of Crawford, pursuant to and in accordance with Act No. 338, Public Acts of Michigan, 1974, as amended, shall hold a public hearing on June 14, 1982, at 10:00 o'clock a.m., in the County Building, Grayling, Michigan.

The Public Hearing shall be held to consider whether the Project Plan recommended to the County Board of Commissioners by The Economic Development Corporation of the County of Crawford constitutes a public purpose.

Under the Project Plan the Project would consist of the construction of the Weyerhaeuser Company's (the "Company") air and water anti-pollution system and the Company's solid waste disposal system as well as the Company's panel finishing system (the "Project") located at the Company's plant in Beaver Creek Township, Crawford County, Michigan.

The Economic Development Corporation of the County of Crawford (the "Issuer") with the proceeds of approximately \$11,000,000 of environmental improvement and industrial development revenue bonds (the "Bonds"), issued by the Issuer pursuant to Act No. 338, would be loaned to the Company which would be required to use the proceeds of the Bonds to construct the Project as outlined hereinabove. The Bonds would be payable solely from Loan Repayments received from the loan of the Bond Proceeds. The Bonds would not be a general obligation of the County of Crawford, Michigan and would not be payable from the general or tax funds of the County of Crawford, Michigan.

No persons shall be displaced as a result of the implementation of the Project Plan.

The Project Plan, related maps and drawings and other information concerning the Project and its financing are available for public inspection during regular business hours at the offices of the County Clerk in the Crawford County Building.

THIS NOTICE is given pursuant to the requirements of Section 17 of Act No. 338. Further information concerning the matters set out in this notice may be secured from the County Clerk's office.

All interested citizens are encouraged to attend and will be offered an opportunity at said hearing to address the County Board of Commissioners concerning the Project Plan.

THANK YOU...
The Crawford County Hoofbeat's 4-H Club would like to thank the people and business' who have helped us in the building of the arena that our club donated to the Crawford County fairgrounds, and for their support in our clinic's and get togethers.
Among these people and business' are: Grayling Water Wells, who have helped a great deal with everything and provided an excellent lunch at our first clinic workshop; Don Cragg, who without him the arena would not have been possible at such an early date; Marge Len for her donations; Dan and Sue Thayer, Walt & Connie Isenbauer and Bill Richmond for the construction of the arena, and Helen Roblin for her generous donation.
We also would like to thank the Hanson Hills Recreation Committee and Howard Taylor for allowing us to build the arena at Hanson Hills. A special thank you to our resource people who gave us their time and instruction at our clinic. These people are Gary Gleason and Dr. Dave Daunt, D.V.M. and Joseph Kinnick of Howell, also the parents who provided all the food for the terrific lunch that was served.
Thank you to everyone
from C.C. Hoofbeat's

**TO THE CUSTOMERS OF CONSUMERS POWER
COMPANY, THE DETROIT EDISON COMPANY AND
MICHIGAN CONSOLIDATED GAS COMPANY**
(Published by Direction of the
Michigan Public Service Commission)
CASE NO. U-7175
**AMENDED NOTICE OF HEARING ON ELIMINATION OR
REVISION OF AUTOMATIC ADJUSTMENT CLAUSES**
On April 13, 1982, the Commission ordered a series of public hearings throughout the State to receive public comment on the elimination of automatic adjustment clauses of regulated electric and gas utilities and the possible adoption by the Commission of other concepts, including those embodied in House Bill 5527 and Substitute House Bill 5528. In addition, a generic proceeding was ordered to commence on June 14, 1982 to receive evidence on a proposal for replacing the existing adjustment clauses. The public hearings have now been completed.
In the background of the Commission's Order of April 13, 1982, were two earlier cases: (1) Case No. U-6490, involving a controversy on automatic adjustment clauses for electric companies and the appropriateness of federal standards regarding those clauses; and (2) Case No. U-6878, involving Consumers Power and larger monthly gas bills due to a purchase of Algerian LNG by Trunkline Gas Company, Consumers Power Company's major supplier.
The Commission's Order of April 13th indicated that the generic proceeding would be investigatory in nature and not conducted as a contested case. The Commission is convinced, in part due to comments received at the public hearings, that there is some public sentiment which favors a more expeditious substitution of the existing clauses than contemplated in the April 13th Order. Therefore, the Commission amends its April 13th Order to indicate that the generic proceeding which was to commence June 14, 1982 should be adjourned to June 21, 1982 and conducted as a contested case, designed to have an impact on the rate structures of all regulated electric and gas utilities. Additional proceedings may be ordered for specific utilities thereafter.
The Commission will consider, in these proceedings, the elimination of existing adjustment clauses and the development of a general framework for mechanisms which may be substituted for the existing adjustment clauses of all regulated gas and electric utilities including those embodied in the two legislative proposals that attempt to address these issues, House Bill 5527 and Substitute House Bill 5528, the first of which was reported out unanimously by the House Economic Development and Energy Committee. Although the Commission recognizes that those bills reflect an effort to revise existing gas and electric adjustment clauses, it must be noted that the Committee has delayed forwarding the bills to the full House until April 27. Having no assurance that the bills, which are part of a package of bills that has been under study for more than two years, will be enacted this year, the Commission believes that it should explore ways to revise or eliminate existing adjustment clauses to the extent that such can be done administratively. Additional proceedings may be ordered for specific utilities thereafter.
Because the cost of reproducing the legislative bills could be considerable, the Commission will summarize their essential features. The bills would:
(1) Establish annual hearings for the major gas and electric utilities in order to examine the reasonableness and prudence of the decisions underlying their "plans" for the purchase of fuel or electric power.
(2) Establish a forum for public scrutiny of major long-term contracts negotiated or contemplated by electric and gas utilities.
(3) Require affirmative action by the Commission before final approval of increases due to changes in the cost of gas, fuel or electric power, thus eliminating the "automatic" nature of the fuel cost and purchased gas clauses.
(4) Require a reconciliation process annually which reviews the actual amounts collected under the clauses and the amounts actually expended by the utilities for fuel and electric power; disallow specified expenditures; require refunds with interest for overcollections and a higher standard of proof to be met by a utility claiming excess expenditures inconsistent with Commission order.
(5) Allow the Commission to require the smaller utilities (those other than Consumers Power Company, The Detroit Edison Company and Michigan Consolidated Gas Company) to comply with those provisions of the bills that are appropriate for their operations.
Interested parties may obtain copies of the bills from the Legislative Service Bureau.
In addition to the provisions summarized above, the Commission would encourage parties to this proceeding to address the provision allowing utilities to be reimbursed for previous underrecoveries.
Jurisdiction is pursuant to 1909 PA 106, as amended, MCLA 460.551 et seq.; 1909 PA 300, as amended, MCLA 462.2 et seq.; 1919 PA 419, as amended, MCLA 460.51 et seq.; 1939 PA 3, as amended, MCLA 460.1 et seq.; 1969 PA 306, as amended, MCLA 24.201 et seq.; and the Commission's Rules of Practice and Procedure, 1979 Administrative Code, R 460.11 et seq.
NOTICE IS HEREBY GIVEN that:
A. The initial hearing in this matter will be held at 9:30 a.m. on June 21, 1982 in the offices of the Commission, Mercantile Building, 6545 Mercantile Way, Lansing, Michigan, which hearing will be in the nature of a prehearing conference and will be held for the purpose of considering matters which will expedite these proceedings and scheduling of further hearing dates. Any interested persons may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure.
B. The Commission Staff shall file proposed testimony on or before June 21, 1982. That testimony will be made available to all parties at the pre-hearing conference on June 21, 1982. Cross-examination of Staff's testimony shall begin at 9:30 a.m. on June 28, 1982 in the offices of the Commission.
C. This proceeding shall be conducted as a contested case pursuant to the Administrative Procedures Act of 1969, as amended, MCLA 24.201 et seq. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before June 21, 1982, an original and 12 copies of a petition to intervene.
Subparagraph (2) of said Rule 11 provides as follows: "(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the Commission of the specific issues of fact or law to be raised or controverted." (Emphasis Added.)
The Commission will require strict compliance with the above-quoted rule.

Grayling Booster Club Awards Ten Scholarships

The third annual Grayling Boosters Club Scholarship Awards were presented to

nine selected Crawford AuSable graduating seniors and to one 1981 graduate at the high school Awards Assembly held Thursday, June 3rd. Each recipient received a \$400.00 scholarship for the 1982-83 school year.

The scholarship program, a Booster Club commitment to Crawford County youths since 1980, has contributed a total of \$12,500.00 to date. Awards have been made to twenty five recent high school graduates. Every scholarship winner to date has progressed in his/her chosen field and has maintained high college scholastic grades in the process. (See Letter to Editor, Crawford County Avalanche, June 3, 1982).

Selections were made from a total of twenty two applicants. All applications were carefully reviewed by members of the Booster Club Scholarship Committee. Many references were checked and each applicant was personally interviewed by committee members before final selections were made. The excellent credentials of every candidate made the selections process difficult.

Award winners from the 1982 Senior Class included:

Mary Jo Bonkowski, Catherine Dietrich, Tim Ferrigan, Eileen Kelly, Bonnie Keusch, Marion Matyn, Jack Money, Jeffrey Stamply, Mandi Stillwagon.

The tenth award was given to Melissa Meldrum in recognition of her outstanding achievements at University of Michigan during her freshman year.

Scholarship Committee members are selected by Larkin Baker, President of the Grayling Booster Club. Members are: Larkin Baker (ex officio), Duane "Ace" Worden, Bill Duke, Rose Duley, Iris Coor, Hene Parsons and Bud Joyce, Chairman.

Don't think "health food" is necessarily low calorie. Salad dressing, quiche crust and whole wheat bread can add calories.

Deputies Complete Course

On May 28, Deputy Charles R. Ryan and Deputy Robert Law, Correction Officers of the Crawford County Sheriff's Department, successfully completed a 160 hour course in the field of Corrections at the Kirtland Community College.

This course was coordinated by the Kirtland Community College, Michigan Department of Corrections and the Northern Area Sheriff's Training Advisory Council.

Eleven Deputies representing eight counties were in attendance at the training session.

KCC to Offer Summer Music Classes
